[Project No. 1888-000]

York Haven Power Company, LLC; Notice of Authorization for Continued Project Operation

On August 30, 2012, the York Haven Power Company, LLC, licensee for the York Haven Hydroelectric Project, filed an Application for a New License pursuant to the Federal Power Act (FPA) and the Commission's regulations thereunder. The York Haven Hydroelectric Project is located on the Susquehanna River, in Dauphin, Lancaster and York, Counties, Pennsylvania.

The license for Project No. 1888 was issued for a period ending September 1, 2014. Section 15(a)(1) of the FPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year-to-year an annual license to the then licensee under the terms and conditions of the prior license until a new license is issued, or the project is otherwise disposed of as provided in section 15 or any other applicable section of the FPA. If the project's prior license waived the applicability of section 15 of the FPA, then, based on section 9(b) of the Administrative Procedure Act, 5 USC 558(c), and as set forth at 18 CFR 16.21(a), if the licensee of such project has filed an application for a subsequent license, the licensee may continue to operate the project in accordance with the terms and conditions of the license after the minor or minor part license expires, until the Commission acts on its application. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a license for the project or otherwise orders disposition of the project.

If the project is subject to section 15 of the FPA, notice is hereby given that an annual license for Project No. 1888 is issued to the licensee for a period effective September 2, 2014 through September 1, 2015 or until the issuance of a new license for the project or other disposition under the FPA, whichever comes first. If issuance of a new license (or other disposition) does not take place on or before September 1, 2015, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under section 15(a)(1) of the FPA is renewed automatically without further order or notice by the Commission, unless the Commission orders otherwise.

If the project is not subject to section 15 of the FPA, notice is hereby given that the licensee, York Haven Power Company, LLC, is authorized to continue operation of the York Haven Hydroelectric Project, until such time as the Commission acts on its application for a subsequent license.

Dated: September 10, 2014.

Kimberly D. Bose,
Secretary.
